

WITH GOD IN OUR HEARTS,
WE LOVE AND LEARN

St. Joseph's Newsletter

Issue 019 - 25 February 2019

Welcome back! I hope you have all had a wonderful break. During this half term we have so much to look forward to in the run up to Easter and I'm sure your children will come home excited about all of the new learning taking place.

Our Values for this half term are learned and wise-learned, finding God in all things; and wise in the ways they use their learning for the common good.

Times tables Rock Stars!

94% of your children accessed the new times table rock star game over half term. This will really help them improve their times tables knowledge. Well done. Let's see if we can get 100%.

Water

We are always encouraging children to drink plenty of water throughout the day especially with the increase in physical activity we have introduced into the school. We would appreciate it if you could speak to your children about the importance of drinking water as we would like them to be proactive in drinking. Throughout the day we will continue to give them opportunities to drink but we want them to realise why this is so important. Thank you for your continued support!

World Book Day 2019

We will celebrate World Book Day in School on Friday 8th March. Children can come to school dressed as a character from their favourite book and bring that book in with them to share with the class.

Healthy Lunch

Can I please ask if your child has a packed lunch it promotes a healthy diet and the children are aware of this. There have been several occasions where we have had to speak to children that are leaving sandwiches and fruit and just eating their chocolate and crisps. Thank you for your support!
