

WITH GOD IN OUR HEARTS,  
WE LOVE AND LEARN

## St. Joseph's Newsletter

Issue 026 - 12 May 2019

### **Welcome back!**

The summer term is one that I always look forward to. It is a really important time for your children as they continue to learn so much and begin to prepare for the transition to their next year group. The new values we will be sharing with your children this term are curious and active.

Please talk to your children about these values at home as we encourage them to be curious about the world in which they live and be actively looking for ways to help others and be the best they can be.

Thank you for all of your support!

### **Fathers Day**

As the summer term is so busy and sports day is the closest Friday to Fathers Day (Friday 14th June) we have decided it would be nice to treat our dads/male role models to receive a free ice-cream during sports day. We look forward to seeing you all enjoying your ice creams and competing in the parents' race.

### **Mindfulness**

As we continue to embed mindfulness into the curriculum I thought it would be nice to share some mindful tips with parents through the school newsletter.

#### **Tip 1**

*Don't feel that you need to fill up all your time with doing. Take some time to simply be. When your mind wanders to thinking, gently bring it back to your breath.*

### **School lottery**

Congratulations to Miss Moore on winning this weeks lottery.

If you would like to be in with the chance of winning a cash prize and supporting the school at the same time please go on to the school website and look under parents/school lottery for details of how to enter.
