

WITH GOD IN OUR HEARTS,
WE LOVE AND LEARN

St. Joseph's Newsletter

Issue 026 - 20 May 2019

As we come towards the end of this short half term I would like to say just how proud I am of your children and their fantastic attitude towards learning. Last week Year 6 children completed their SATS papers and up until the end of this week Year 2 will be completing theirs. I feel that at this point in time it is important to highlight that this is only a small measure of what your children can do. At St. Joseph's we place greater emphasis on developing a well rounded child with the skills they need in life to be successful in whatever it is they go on to do. We measure our success not on SATS results but on the type of children that leave us in year 6. We want them to be: generous, grateful, loving, intentional, caring, faith filled, prophetic, attentive, discerning, learned, wise, curious, hopeful, active, truthful, eloquent and most importantly happy and healthy both mentally and physically! Have a wonderful week!

Fathers Day

As the summer term is so busy and sports day is the closest Friday to Fathers Day (Friday 14th June) we have decided it would be nice to treat our dads/male role models to receive a free ice-cream during sports day. We look forward to seeing you all enjoying your ice creams and competing in the parents' race.

E-Safety

It has been brought to my attention that some children are using electronic devices to contact other pupils at inappropriate times. In one instances as late as mid-night. Please can you talk to your children about the use of their technology and the impact that this could have on both them and the children receiving the messages.

School lottery

Congratulations to on winning this weeks lottery.

If you would like to be in with the chance of winning a cash prize and supporting the school at the same time please go on to the school website and look under parents/school lottery for details of how to enter.
