St. Joseph's Newsletter

Issue 007 - 6 November 2017

I hope you all had a relaxing break and are ready for the run up to Christmas. There is so much to look forward to this term! Our new values this term are **Learned** and **Wise**. We will be encouraging children to find God in all things and become wise in their knowledge and actions. This will help children to make educated decisions to allow them to be successful in life. We want our children to have access to a broad and balanced curriculum to allow them to reach their potential.

Thank you once again for your excellent support at parents' evening. Your attendance shows us just how much your child's education means to you and allows us to work in partnership to help your child reach their potential.
