

WITH GOD IN OUR HEARTS,  
WE LOVE AND LEARN

## St. Joseph's Newsletter

Issue 002 - 16 September 2019

I would just like to say a huge thank you to both you and your children. The way they have started the new school year is excellent. All children have arrived with the correct school uniform and clearly take pride in their appearance. The behaviour of the children and their attitude to learning is brilliant. I would like to give a special mention to all of the children that have joined the school this year. They have quickly become part of the St. Joseph's Family and it is as if they have always been here. The support you have given the children in preparing for the new school year has really helped.

### Generous and Grateful

This half term we will be focusing on the values generous and grateful. We will be talking to your children about different ways to show generosity in the way that they treat others. We will also encourage them to be grateful for everything they have. Mr Cox spoke to the children in assembly about his visit to our link school in Nepal. During this talk he showed the children pictures of the school with very little besides tables and chairs. We believe this will help children to appreciate just how lucky they are to have the education they have.

### School Lottery

Congratulations to Mr A Maj on winning this weeks lottery. If you would like to be in with the chance of winning a cash prize and supporting the school at the same time please go on to the school website and look under parents/school lottery for details of how to enter.

### Late collection

If you are unable to collect your child from school at 3.15pm could you please contact the school office to let us know. If we don't receive a message and your child hasn't been collected by 3.30pm we will put them in to paid club and you will incur a charge. Thank you for your support!
