

WITH GOD IN OUR HEARTS,  
WE LOVE AND LEARN

## St. Joseph's Newsletter

Issue 004 - 30 September 2019

Last week you will have all received a letter about the National Online Safety package we have subscribed to. I would like to take this opportunity to ask that you take the time to read this letter and complete the online course. This will allow you to support your child in staying safe online. The more parents we engage in this the higher the level of e-safety standard the school will be rewarded. Please support your child and the School!

### **CAFOD**

On **Friday 11th October** we will be asking children bring in a £1 donation for CAFOD. In return they will be able to come to school dressed in bright colours. The money raised on the day will help Brighten Up the lives of children around the world living in poverty.

£10 will help teach a child to read

£33 supplies a family with safe, clean water

£150 buys a cow for a family which provides milk to drink and sell

£300 buys a mobile health team for remote communities that don't have hospitals

### **Before and After School Club**

Thank you for all of your responses to our survey. We have analysed the responses and whilst there are several requests for later finishes they were not sufficient enough to warrant changing the current provision. In order to run a more formal child care provision there would need to be a lot more need and regular commitment to make it financially viable. The strengths of the current provision as highlighted by many of you are: The flexibility, cost and the fact it is run by school staff. For this reason we will continue to run as we are with the morning and afterschool paid club. Thank you all again for taking time to complete the survey.

### **School Lottery**

Congratulations to Mr Adrian Maj on winning this weeks lottery.

If you would like to be in with the chance of winning a cash prize and supporting the school at the same time please go on to the school website and look under parents/school lottery for details of how to enter.
